

Dr Christopher Meehan RIP

It is with great sadness that I am informing our community of the death of Dr Christopher Meehan. Dr Meehan was Headteacher at St Cuthbert's R.C. High School for exactly 10 years and retired in August 2018.

Dr Meehan passed away suddenly in his sleep on Friday 26th May 2023. Our thoughts and prayers are with Dr Meehan's family which includes his wife Joan and daughters Anna and Rachael.

During his 10 years as Headteacher at St Cuthbert's, Dr Meehan was a great servant of the Catholic community of Rochdale. He oversaw the move of the school from the old building to the new and absolutely lived out his and the school's motto at the time of 'In Christ we serve.'

Dr Meehan constantly preached the message to students that we are all 'born for greatness.' Many students who came to St Cuthbert's will remember him saying this. This statement was something he believed passionately about and he reinforced the message that there is no limit to what each young person could achieve.

Dr Meehan's funeral will be held on Tuesday 20th June. If you would like to attend or send a message to the family, please contact the school who can assist further.
