Education		the sake of greater goods	4.1.1.4.	Self-disciplined and able to delay or forego gratification for
E	3.1.1.5.	Discerning in their decision making		the sake of greater goods, appreciating the nature and
	3.1.1.6.	Determined and resilient in the face of difficulty		importance of chastity in all relationships
	3.1.1.7.	Courageous in the face of new situations and in facing their fears	4.1.1.5.	Discerning in their decision making, able to exercise wisdom and good judgement
			4.1.1.6.	Determined and resilient in the face of difficulty, including the strength of character to stand up for truth and goodness in the face of pressure
			4.1.1.7.	Courageous in the face of new situations and in facing their
				fears, including the courage to be different

Pupils should be taught:

- 3.1.2.1. To appreciate sensual pleasure as a gift from God
- 3.1.2.2. To recognise that sexuality is a God-given gift and that sexual intercourse is the most intimate expression of human love and should be delayed until marriage
- 3.1.2.3. The Church's teaching on the morality of natural and artificial methods of managing fertility
- 3.1.2.4. To understand the need for reflection to facilitate personal growth and the role prayer can play in this
- 3.1.2.5. To understand that their uniqueness, value and dignity derive from God and hence, recognise the respect they should have for themselves
- 3.1.2.6. To recognise that they are responsible for their own behaviour and how to inform their conscience

Pupils should be taught:

- 4.1.2.1. To appreciate sensual pleasure as a gift from God and the difference between sensual and sexual pleasure
- 4.1.2.2. The concept of fasts and feasts and the importance of self-discipline and moderation
- 4.1.2.3. To recognise that sexuality is a God-given gift and that sexual intercourse is the most intimate expression of human love and should be delayed until marriage, building on learning at KS3
- 4.1.2.4. The Church's teaching on the morality of natural and artificial methods of managing fertility, building on learning at KS3
- 4.1.2.5. That giving time to prayer and reflection is a way of growing in understanding of themselves and their own character, as well as deepening their relationship with God.
- 4.1.2.6. The methods of informing one's conscience and the absolute character of conscientious demands

KS4&5

Ę	Pupils should be taught:	Pupils should be taught:	
salt	Me	Me	
Me, my body and my health	 3.1.3.1. To recognise their personal strengths 3.1.3.2. To distinguish 'needs' from 'wants' 3.1.3.3. They have a right not to have an intimate relationship until the appropriate time and that any level of intimacy which makes them feel uncomfortable is never appropriate 	 4.1.3.1. To evaluate their own personal strengths and areas for development 4.1.3.2. How virtues, values, attitudes and beliefs can drive a growing sense of purpose for their lives My body 	
λu	My body	4.1.3.3. The influences on their body image including the media's

	Attitudes			attitudes and beliefs and to understand how these influence
	3.1.4.7.	To recognise, clarify and if necessary challenge their values, attitudes and beliefs and to understand how these influence their choices		their choices

KS4&5

	Life cycles and fertility

Pupils should be taught: Life cycles

- 3.1.5.1. Human reproduction, including the structure and function of the male and female reproductive systems
- 3.1.5.2. About gestation and birth, including the effect of maternal lifestyle on the foetus through the placenta, e.g foetal alcohol syndrome

Fertility

- 3.1.5.3. About human fertility, methods of managing conception for the purposes of achieving or avoiding pregnancy and the difference between natural and artificial methods
- 3.1.5.4. The menstrual cycle and the function of gametes (sperm and ova), in fertilisation
- 3.1.5.5. The negative impact of substance use on both male and female fertility

Pupils should be taught: Life cycles

- 4.1.5.1. Human reproduction, including the structure and function of the male and female reproductive systems and the correct terms for the reproductive body parts, both internal and external
- 4.1.5.2. About gestation and birth, including the effect of maternal lifestyle on the foetus through the placenta, e.g foetal alcohol syndrome
- 4.1.5.3. The different stages in the development of an unborn child in the womb from the moment of conception to birth

Fertility

- 4.1.5.4. About human fertility, building on the learning at KS3; methods of managing conception for the purposes of achieving or avoiding pregnancy and the difference between natural and artificial methods
- 4.1.5.5. That fertility levels can vary in different people; can be damaged by some sexually transmitted infections and decreases with age (including information on the menopause).
- 4.1.5.6. The negative impact of substance use on both male and female fertility and those positive lifestyle choices which maximise fertility

Theme 2: Created to love others

KS3 KS4&5

ā	In a Catl	nolic school, pupils are growing to be:	In a Cath	nolic school, pupils are growing to be:

sno		relationships and know something about Jesus'	4.2.2.6.	To understand the importance of self-giving love and forgiveness in a
Religious understanding of human relationships: loving others		teaching on forgiveness		relationship
Re			4.2.2.7.	About the sanctity of life, and the significance of this concept in
				debates about abortion

KS3 KS4&5

Pupils should be taught:

- 3.2.3.1. About discrimination, prejudice and bullying and how to respond, including responsibilities towards those who are experiencing these things (See protected characteristics of the Equality Act 2010, Part 2, Chapter 1, sections 4-12)
- 3.2.3.2. The features of positive and stable relationships and the virtues needed to sustain them (e.g. trust, mutual respect, honesty) in a wide variety of contexts, including family, class, friendships, intimate relationships etc.
- 3.2.3.3. That relationships can cause strong feelings and emotions (including sexual attraction) and methods for managing these
- 3.2.3.4. The nature and importance of friendship as the basis of a loving, sexual relationship
- 3.2.3.5. That someone else's expectations in a relationship may be different to yours and strategies for negotiating possible differences.
- 3.2.3.6. The nature and importance of marriage; the distinctions between marriage in Church teaching, including sacramental marriage, civil marriage, civil partnerships and other stable, long-term relationships.
- 3.2.3.7. The roles, rights and responsibilities of parents, carers and children in families and that those families can be varied and complex
- 3.2.3.8. Understand that loving, supportive family relationships provide the best environment for a child
- 3.2.3.9. That marriage is a commitment, entered into freely, never forced through threat or coercion.
- 3.2.3.10. Some people will choose to be celibate (unmarried) and to refrain from sexual activity, e.g. single people, priests and those in religious life
- 3.2.3.11. There is diversity in sexual attraction and developing sexuality, including sources of support and reassurance and how to access them

Pupils should be taught:

- 4.2.3.1. To evaluate the extent to which their self-confidence and self-esteem are affected by the judgments of others
- 4.2.3.2. The characteristics and benefits of positive, strong, supportive, equal relationships
- 4.2.3.3. To manage changes in personal relationships including the ending of relationships
- 4.2.3.4. About harassment and how to manage this
- 4.2.3.5. To recognise when others are using manipulation, persuasion or coercion (and when this is a criminal offence e.g. violent behaviour) and how to respond
- 4.2.3.6. Parenting skills and qualities and their central importance to family life (including the implications of young parenthood)
- 4.2.3.7. The nature and importance of marriage; the distinctions between marriage in Church teaching, including sacramental marriage, civil marriage, civil partnerships and other stable, long-term relationships.
- 4.2.3.8. About the impact of domestic and relationship violence (including sources of help and support)
- 4.2.3.9. The impact of separation, divorce and bereavement on individuals and families and the need to adapt to changing circumstances
- 4.2.3.10. About diversity in sexual attraction and developing sexuality, including sources of support and reassurance and how to access them

KS3 KS4&5 Pupils should be taught: **Keeping safe**

3.2.4.1. They have autonomy and the right to protect their body from inappropriate and unwanted contact

- 3.2.4.2. To identify the characteristics of unhealthy relationships and where to get help
- 3.2.4.3. Consent is freely given and that being pressurised. manipulated or coerced to agree to something is not 'consent'
- 3.2.4.4. The law in relation to consent, including the legal age of consent for sexual activity, the legal definition of consent and the responsibility in law for the seeker of consent to ensure that consent has been given.
- How to use technology safely, including social media and consideration of their "digital footprint" and the law regarding the sharing of images
- 3.2.4.6. That not all images, language and behaviour are appropriate, including the negative effects of pornography and the dangers of online exploitation
- 3.2.4.7. To recognise the impact that the use of substances (alcohol and drugs) has on the ability to make good and healthy decisions

People who can help me

3.2.4.8. There are a number of different people and appropriate organisations they can go to for help in different situations and should be provided with information about how to contact them

Pupils should be taught: **Keeping safe**

- 4.2.4.1. An awareness of exploitation, bullving and harassment in relationships (including the unique challenges posed by online bullying and the unacceptability of physical, emotional, sexual abuse in all types of teenage relationships, including in group settings such as gangs) and how to respond
- 4.2.4.2. The concept of consent in relevant, age-appropriate contexts building on Key Stage 3, how to seek consent and to respect others' rights, to give, not give or withdraw consent
- 4.2.4.3. The risks and consequences of legal and illegal substance use including their ability to make good decisions in relation to sexual relationships
- 4.2.4.4. To understand the pernicious influence of gender double standards and victim-blaming
- 4.2.4.5. To understand the consequences of unintended pregnancy and of teenage parenthood (in the context of learning about parenting skills and qualities and their importance to family life) and the options available.
- About abortion, including the current legal position, the risks 4.2.4.6. associated with it, the Church's position and other beliefs and opinions about it

People who can help me

- 4.2.4.7. About statutory and voluntary organisations that support relationships experiencing difficulties or in crisis, such as relationship breakdown, separation, divorce, or bereavement
- The importance of the school, the parish and other Catholic 4.2.4.8. voluntary organisations in providing help and advice for young
- 4.2.4.9. Where and how to obtain sexual health information, advice and support
- 4.2.4.10. About who to talk to for accurate, advice and support in the event of unintended pregnancy

Theme 3: Created to live in community (local, national and global)

KS3 KS4&5

ā	In a Catholic school, pupils are growing to be:	In a Catholic school, pupils are growing to be:		
on in virtue	 3.3.1.1. Just, understanding the impact of their actions locally, nationally and globally 3.3.1.2. Self-giving, able to put aside their own wants in order 	and globally, including the knowledge and understanding to ensure that such judgements are well-informed		
Education in	to serve others locally, nationally and globally 3.3.1.3. Prophetic in their ability to identify injustice and speak out against it locally, nationally and globally	4.3.1.2. Self-giving, able to put aside their own wants in order to serve others locally, nationally and globally, including a recognition of the importance of service as the purpose of human life		
		4.3.1.3. Prophetic in their ability to identify injustice and speak out against it locally, nationally and globally, including the recognition of the necessity to accept the unpopularity this often entails		
ng of es	Pupils should be taught:	Pupils should be taught:		
understanding importance of communities	 3.3.2.1. To discuss moral questions in a balanced and well informed way 3.3.2.2. Understand the features of the home, school and parish and how each work for the good of all 	 4.3.2.1. To debate moral questions in a way which is well informed, nuanced and sensitive, taking into account the teaching of the Catholic Church in the relevant areas 4.3.2.2. The main principles of Catholic Social Teaching and how these 		
Religious u of the i human		relate to our relationship to each other and to creation		

P	Pupils should be taught:		Pupils should be taught:	
Living in the wider world	3.3.3.1.	The purpose and importance of immunisation and vaccination	4.3.3.1.	About STIs, including HIV/AIDS, how these are transmitted protective practices, including abstinence, and how to respond if
۸id	3.3.3.2.	·		they feel they or others are at risk
the		activity, including HIV, and ways of protecting against sexually transmitted infections, including abstinence	4.3.3.2.	To understand the need to respect others' faith and cultural expectations concerning relationships and sexual activity
ring in	3.3.3.3.		4.3.3.3.	That extremism and intolerance in whatever forms they take are never acceptable and why
Ŀ		where to get support for themselves or their peers.	4.3.3.4.	The definitions of sexual consent, sexual exploitation, abuse,
	3.3.3.4.			grooming, coercion, harassment, rape, domestic abuse, forced marriage, honour-based violence and FGM and why they are
	3.3.3.5.	·		always unacceptable
		UK law and Universal Rights (e.g. FGM, forced marriages, honour-based violence, human trafficking,	4.3.3.5.	The shared responsibility to protect the community from violent extremism and how to respond to anything that causes anxiety
		radicalisation etc); to have the skills and strategies to		or concern
		respond to being targeted or witnessing the targeting of others	4.3.3.6.	About the unacceptability of all forms of discrimination, and the need to challenge it in the wider community
	3.3.3.6.	That discriminatory language and behaviour is unacceptable (e.g. sexist, racist, homophobic, transphobic, disablist) and the need to challenge it and how to do so	4.3.3.7.	To recognise when relationships are unhealthy or abusive (including the unacceptability of both emotional and physical abuse or violence including honour-based violence, forced marriage, sexual harassment, sexual abuse and rape) and
	3.3.3.7.	Recognise stereotypes and how they can encourage damage and prejudice		strategies to manage this or access support for self or others at risk
	3.3.3.8.	• • •	4.3.3.8.	The role peers can play in supporting one another (including helping vulnerable friends to access reliable, accurate and
	3.3.3.9.	•		appropriate support)
	3.3.3.9.	(including reference to protected characteristics		
		defined in the Equalities Act 2010)
