

Urban Debate League 1 - Monday 31st January

On Monday night, 12 of our pupils took part in the first Round of the Urban Debate League hosted by Debate Mate. The students participated in 2 teams and completed against school across Manchester, The West Midlands and Liverpool. The students made Miss Miller and Mrs Eccleston really proud and were amazing ambassadors for our school. We can't wait to see where we ranked in the league table.

The students at SCRCHS are looking forward to competing in the next round of the UBL which will be hosted next month.

Team 1

Team 2
